THIS INFO IS GLEAMED FROM THE INFO THAT WAS PROVIDED. THE NUMBERS DO NOT ADD UP AS PEOPLE FILLED IN THE FORMS DIFFERENTLY BUT I THINK/HOPE THIS PAINTS A PICTURE.....for example: people don't necessarily not want children's activities – they just don't have children. I have cribbed comments as far as the "suggestions" are concerned. If people said "yes" to something, then I assumed it was "no" to the other things although that wasn't always stated.

WE HAD 26.5 (half was from Jossi!) PAPER RETURNS AND 8 ON THE LINE.....34 in total.
